

USER GUIDE OF RAPID RATION

Welcome to Rapid Ration! Rapid Ration is an application that allows users to browse and order ration items conveniently. This user guide will walk you through the process of using the application and its features.

Getting Started

1. Launch the Rapid Ration application on your computer.
2. On the main window, you will see two options: "Admin" and "User".
3. If you are an admin, click on the "Admin" button. If you are a regular user, click on the "User" button.

Admin Login

1. If you clicked on the "Admin" button, you will be prompted to enter your admin ID and password.
2. Enter your admin ID in the "Admin ID" field and your password in the "Admin Password" field.
3. Click the "Login" button to authenticate and access the admin features.

Admin Features

1. After successful admin login, you will see the admin window with two options: "View Suppliers" and "View Users".
2. Click on "View Suppliers" to see a list of supplier IDs, names, and addresses.
3. Click on "View Users" to see a list of user IDs, names, and their order history.

User Login

1. If you clicked on the "User" button on the main window, you will be prompted to enter your username and ration card number.
2. Enter your username in the "Username" field and your ration card number in the "Ration Card Number" field.
3. Click the "Login" button to authenticate and access the user features.

User Features

1. After successful user login, you will see the user options window with your name displayed at the top.
2. You have the following options:
 - Check Cart: View the items in your cart and place an order.
 - View Order History: See your previous orders and their details.
 - View Product Directory: Browse the available products and their information.
 - Order Item: Add a specific item to your cart by entering the product ID and quantity.

Ordering an Item

1. Click on "View Product Directory" to see the list of available products.
2. Note down the Product ID of the item you want to order.
3. Click on "Order Item" and enter the Product ID and the desired quantity.
4. Click "Add to Cart" to add the item to your cart.

Checking Your Cart

1. Click on "Check Cart" to view the items in your cart.
2. You will see the product name, quantity, and price of each item.
3. To remove an item from your cart, select the item and click "Remove from Cart".
4. To place an order, click on "Place Order".

Viewing Order History

1. Click on "View Order History" to see your previous orders.
2. You will see the order ID, product name, price, and order date for each order.

Logging Out

1. To log out of the application, simply close the user options window.

Troubleshooting

- If you encounter any errors or issues while using the application, an error message will be displayed with details about the problem.
- If the error persists, please contact the application administrator for further assistance.

We hope you enjoy using Rapid Ration and find it convenient for ordering your ration items. If you have any further questions or need assistance, please don't hesitate to reach out to our support team.

Happy ordering! The Rapid Ration Team
